Pillar	Description
Responsible Growth	Protects community identity and infrastructure. Managing growth thoughtfully and sustainably while
Efficient Government	Delivers results and reduces waste. Ensuring taxpayer dollars are used wisely and county services
Transparency & Accountability	Builds trust with residents through open, honest decision-making. Giving residents a real voice in sh

Quotes to Use on Site

"Richland County is growing, and we need leadership that manages that growth responsibly while protecting the communities people already call home. I'm running to ensure taxpayer dollars are used wisely, decisions are made transparently, and residents have a real voice in shaping the future of this county."

— Jim Reese (Primary quote for platform section)

"I'm running for Richland County Council because I love this community. Irmo, Dutch Fork, and Ballentine are home for our family, and I want to leave them better than I found them."

— Jim Reese (About section / hero)

4. SITE SECTIONS — BASE BUILD

Section 1: Fixed Navigation Bar

Logo text 'REESE FOR RICHLAND'. Links: Platform | About Jim | News | Join the Team. Right side: prominent red DONATE button (pill-shaped, uppercase) linked to Square checkout. Sticky on scroll with subtle shadow. Mobile hamburger menu.

Section 2: Hero

Full-viewport dark gradient background with red tones. Left side: Badge 'REPUBLICAN · RICHLAND COUNTY COUNCIL · DISTRICT 1', large headline 'Jim Reese', subline 'Reese for Richland', tagline paragraph, two CTA buttons — 'Donate Now' (red filled, Square link) and 'See the Platform' (white outline, scrolls down). Right side: Jim's headshot photo or styled placeholder. Subtle background texture.

Section 3: Platform — 'Why I'm Running'

Section label 'THE PLATFORM'. Title 'A Vision for Richland County'. Grid of 3 platform cards (Responsible Growth, Efficient Government, Transparency & Accountability). Each card: SVG icon, title, description, hover effect with red left border. Jim's primary quote below the cards. Light gray background.

Section 4: About — 'Meet Jim'

Section label 'ABOUT JIM'. Title 'A Husband, Father & Community Leader'. Two-column: family photo left, bio paragraphs right (all real content from bio section). Highlight boxes below: 'Lifelong Irmo Resident', 'Father of 4', 'Pastor & Community Leader', 'Newberry College Graduate'. White background.

Section 5: News & Updates

Section label 'NEWS & UPDATES'. Title 'Campaign Updates'. Grid of 3 cards: (1) Campaign Launch announcement, (2) Backyard Cookout April 18th with signup link, (3) Primary Election Day June 9th. Each card: image area, date, title, excerpt, CTA link.

Section 6: Get Involved / Join the Team

Full-width red-tinted background. Title 'Join the Team'. Three action cards: (1) Donate — '\$20 = one campaign sign' with Square link, (2) Volunteer — Google Form link, (3) Follow & Share — social media links. Each card has icon and CTA button.

Section 7: Donate CTA Banner

Full-width deep red background. Bold white text: 'Ready to Support Real Change in Richland County?' Subtext and large white Donate button. Subtle pattern overlay.

Section 8: Footer

Dark background. Left: logo + 'Paid for by Jim Reese for Richland County Council' disclaimer. Center: quick links. Right: social media icons (Facebook, Instagram, placeholder X/YouTube). Contact info. Copyright 2026.

5. ENHANCEMENT FEATURES (9 ADD-ONS)

Enhancement 1: Email Signup Section

Email collection section funneling to Jim's existing Google Form. Prominent placement near the hero or as a floating bar. Heading like 'Stay Updated — Join the Campaign'. Future recommendation: migrate to Mailchimp or Kit for automated email blasts, open/click tracking, and drip sequences. This is a potential upsell service for the agency.

Enhancement 2: Endorsements Section

Testimonial/endorsement carousel or grid. Placeholder cards ready to populate as endorsements come in. Each card: photo placeholder, name, title/role, quote. Design with 3-4 placeholder slots. Social proof is critical for political campaigns.

Enhancement 3: Countdown Timer

JavaScript countdown timer for key campaign dates. Primary target: Primary Election Day — June 9, 2026. Secondary: Backyard Cookout — April 18, 2026. Display days, hours, minutes, seconds. Bold, eye-catching design. Auto-switches to next event after one passes.

Enhancement 4: Yard Sign & Merch Request Section

Section where supporters can request yard signs, bumper stickers, and campaign shirts. Form or link to a request form (can use the existing Google Form or a new one). Show images of the merch items (placeholders). Copy like 'Show your support — request a free yard sign, bumper sticker, or grab a campaign shirt.'

Enhancement 5: Interactive District 1 Map

Embedded Google Map showing Richland County District 1 boundaries. Helps voters confirm they are in Jim's district. Include areas: Irmo, Dutch Fork, Ballentine, Chapin. Clean embed with border and label. Link to full SC voter lookup at scvotes.gov if they want to verify.

Enhancement 6: Video Section

Embedded video content from Jim's Instagram. Section title like 'See Jim in Action' or 'From the Campaign Trail'. Embed 2-3 Instagram video posts or reels. If Instagram embeds are blocked, use video thumbnails that link out to the Instagram posts. Fallback: styled placeholder with 'Campaign Video Coming Soon'.

Enhancement 7: Voter Registration Link

Prominent link/button to scvotes.gov for voter registration and polling place lookup. Placement: near the countdown timer or in a 'Take Action' section. Copy: 'Make sure you are registered to vote! Visit scvotes.gov to

register or find your polling place.' Opens in new tab.

Enhancement 8: Live Social Media Feed

Embedded live Instagram and/or Facebook feed that auto-updates with Jim's latest posts. Use official embed widgets or a service like EmbedSocial, Curator.io, or Elfsight (some have free tiers). Also include direct links to his Facebook and Instagram pages. Keeps the site feeling alive without manual updates.

Enhancement 9: FAQ Section

Accordion-style FAQ section answering common voter questions. Suggested questions: • What district am I in? (Link to scvotes.gov district lookup) • When is the election? (June 9 primary, November general) • How do I get a yard sign? (Link to request form) • How can I donate? (Link to Square checkout) • How do I volunteer? (Link to Join the Team form) • Where can I meet Jim? (Upcoming events / cookout) • What does a County Council member do? (Brief explanation) Clean expand/collapse animation. Placement: before footer.

6. DESIGN REQUIREMENTS

- **Professional + Bold:** Political campaign site. Trustworthy, strong, community-oriented. Not flashy or gimmicky.
- **Smooth Animations:** Subtle fade-in-up on scroll (CSS + IntersectionObserver). Hero content animates on load.
- **Donate Button Everywhere:** Nav (sticky), hero, get involved section, CTA banner, footer. All link to Square checkout.
- **Mobile-First Responsive:** Hamburger nav on mobile. Single-column stacks. Touch-friendly buttons. Must look great on phone.
- **SEO Basics:** Meta title, meta description, Open Graph tags, semantic HTML (header, main, section, footer, nav, article).
- **Clean Commented Code:** Every section clearly commented. All placeholders labeled for easy swapping.
- **Favicon:** Inline SVG — red 'R' on white background.
- **Single File:** All HTML, CSS, and JS in one index.html file (except Google Fonts CDN).
- **Static Hosting Ready:** Deploy to Netlify, Vercel, GitHub Pages, or any static host.
